WELCA NEWS

WELCA met on October 11th at 1:30.

We received two letters from our Child Fund child, Hiwot Gesset. She thanked us for her birthday gifts that we sent her.

A thank you was received from the Synod thanking us for hosting the Chequamegan Spring Rally.

Our Harvest Dinner was again a success. We served 262 people. Thanks to everyone who helped to make it a success. We had so many wonderful compliments on the delicious dinner.

We visited our shut-ins on October 23. It was wonderful seeing Mattie, Geraldine, and Neva. Thank you ladies for your smiles, hugs, and great stories!! You are always in Trinity's prayers.

Karen, Barb, and Pat attended the Chequamegan Fall Rally at Faith Lutheran on October 28th.

All of God's Children Got A Place in the Choir

Wanna sing? Wanna ring? Wanna croak? If you're interested in doing any of these things, talk to Pastor Amy. I've heard you sing, and you've heard me croak with laryngitis. Let's put our efforts together for some music.

I'm looking for people who are interested in singing in a choir or ringing handbells/handchimes. You don't need to read music; you can learn what you need to know for both activities. If I get any interest, we'll talk about how often, when, and what. The "who" is already being supplied by God who gives the gift of praise in so many forms.

Call (608-498-5772), text (same number), email (revamyheinz@gmail.com), or buttonhole (I'm here on Sundays) Pastor Amy if you're interested in participating. All ages are welcome, and our younger members are especially encouraged to get involved!

FOOD PANTRY UPDATE

Our Food Pantry has been very busy. In August, September, and October we helped 143 families!! There is such a need at this time of the year. In October we received food donations from The Curtiss Lions and St. Paul's Lutheran Church in Curtiss. Your weekly food donations are always appreciated and truly needed for the Food Pantry.

Snow!

FROM THE

Pastor

That one word can strike terror in the heart of many a stalwart, seasoned Wisconsinite. Ice covered roads, driveways that need to be shoveled, vehicles caked with road salt, and children who inform you they have to potty after you get them bundled into five layers of outdoor clothes so they can play outside.

But that one word also has positive meaning for many of us. Snowmen, ice skating on frozen ponds, snow angels, snowball fights between carefully constructed snow forts, sleigh rides, and coming out of church on

Christmas Eve to find snowflakes glistening in the moonlight as they fall gently to the ground.

One word with so many images, memories, and feelings attached. One Word with so many images, memories, and feelings attached.

One Word: teaching, healing, feeding, preaching.

One Word: declaring the kingdom of God is near, overturning tables and ideas, weeping in a very human way.

One Word: living, loving, dying, and rising.

It is amazing that just one word--snow--can evoke so many different memories and feelings. It is even more amazing that just one Word can accomplish far more in our lives. Jesus Christ is that living Word of God. Redeeming, sanctifying, and healing. Making us right with God because we can't do it on our own. May your encounters with the living Word of God accomplish God's will in your lives.

"For the Word of God is alive and active." [Hebrews 4:12a]

*In Christ's service,
Pastor Amy*
